

Reducing Stillbirth: West Midlands Event

Wednesday 15th March 2017

**Venue to be confirmed
9.00am-4.30pm (lunch included)**

Following the previous Saving Babies Lives Care Bundle launch, we are pleased to be holding a second regional event to provide an update on best practice for reducing still birth.

It will enable a review of its implementation since the launch of the national strategy and an opportunity to network with colleagues.

Who should attend?

Obstetricians, Neonatologists, senior trainees, Matron responsible for delivery suite / neonatal units, Labour ward leads, Head of midwifery, midwives, neonatal nurses and clinical commissioners
